

2008 Marked the 50th Anniversary of the Bobcat Loader

More than 250 people attended Bobcat's Bay Area event this year to celebrate the 50th anniversary of the Bobcat loader. Pleasanton was one of 23 cross-country stops that featured a traveling exhibit of historical Bobcat equipment, collectibles and memorabilia. The event also featured live product demonstrations of Bobcat West equipment.

For more information, contact Mike Harris at Bobcat West, 510/661-5700, mharris@bobcatwest.com. ♦
